British Model Flying Association – Flying Site Permit

For the operation of model aircraft with an MTOM greater than 7.5Kg
at heights exceeding 400ft

1. Details of permission:

Contact Name	Tim Naylor	
Contact email address	tim00naylor@gmail.com	
Contact mobile number	07474 424630	
Club/Specialist body	Dartmoor Slope Soaring Club	
Name of site	Little Haldon	
OS Grid Reference	TQ13 0BW	
Coordinates	'+50.5774167	'-3.5338056
Permission requested for	Regular operation of models with an MTOM between 7.5kg & 25kg (for permanent notification of the site in the AIP)	
Description of activity	Regular operation of model aircraft with a MTOM between 7.5kg and 25kg up to 1500ft.	
Hours of Operation	Daylight hours	
Maximum height of operations (ft agl) permitted	1500	
Maximum MTOM permitted for aircraft operated on site by this Permit	25Kg	

2. Conditions of issue:

- a. Unless the site is permanently notified in the Aeronautical Information Publication (AIP), a NOTAM must be in place whenever aircraft exceeding 7.5Kg are being operated above 400ft. There is an online application process to file a NOTAM which you can access here: <https://apply.caa.co.uk/CAAPortal/terms-and-conditions.htm?formCode=BAL>
- b. If you have applied for the site to be permanently notified in the AIP, a NOTAM must be in place whenever aircraft exceeding 7.5Kg are being operated above 400ft until such time that the site appears in the AIP. NOTAM's may also be used to increase the visibility of sites notified in the AIP.
- c. If the site falls within controlled airspace, you are advised to notify the Air Navigation Service Provider (ANSP) responsible for it.
- d. If you have applied for the site to be notified in the AIP, details of the flying site and point of contact (including mobile number) will be submitted to the CAA for inclusion in the Aeronautical Information Publication (AIP).
- e. For details of any airspace restrictions (such as Temporary Danger Areas) we recommend the use of an appropriate app (such as Drone Assist from Altitude Angel).
- f. All flying of model aircraft up to 25Kg must be carried out in accordance with the terms of the current BMFA Article 16 Authorisation and BMFA Members' Handbook.
- g. All flying must be carried out in accordance with the local flying site rules and risk assessment.

3. BMFA Permission (for aircraft up to 25Kg)

The British Model Flying Association under the terms of its CAA Model Aircraft Article 16 Authorisation (UAS7068) hereby permits the operation of model aircraft (excluding multi-rotors) with an MTOM between 7.5Kg and 25Kg at heights exceeding 400ft above ground level (but not exceeding the height specified in Section 1) by its members at the model flying site specified in Section 1.

BMFA Permit Number	BMFA-FSP-026-23
Issued on behalf of the British Model Flying Association	
Date of issue	29 June 2023
Date of expiry	21 July 2024
